DESCRIPTION

The Bowbrella umbrella features 16 rainbow-coloured panels for a striking look in wet weather. It is a straight-shaft model with automatic opening, PET canopy and a wooden handle for a comfortable grip. Fibreglass ribs provide flexibility against gusts, and metal-plated tips and finial give a neat finish. Open dimensions Ø120 x 94 cm, suitable for individual and promotional use.

The photograph shows a well-built frame and a straight wooden grip that makes carrying straightforward. The combination of a large span and relatively light construction makes it practical for everyday use. Care is simple: allow the canopy to dry open before storing to protect the fabric and ribs.
