DESCRIPTION

Unisex drawstring bag made from recycled cotton, practical for everyday use — commuting, school or gym. Measuring 38x42 cm, it offers a convenient capacity while remaining lightweight and supports up to 2.5 kg. The bag comes in several colours, for example Black, Beige or Navy.

The design features a drawstring closure with cords that double as shoulder straps, contrast reinforced corner patches and a decorative tab at the top; a small recycled-material tag is sewn to the side. Reinforced corners and stitching improve durability for regular use.

This personalised drawstring bag can be marked by screen printing, multicolour transfer, DTF printing or flex. Minimum order: 50 pieces (colours combined) — smaller quantities possible with additional fees. Our studio can vectorise or retouch your logo; suitable for companies, sports clubs, associations, events and private customers.
