DESCRIPTION

Bamboo serving board measuring 46.5 x 21.5 x 1 cm, ideal for presenting cheeses, snacks and tapas. It features a natural shape with an integrated handle and a jute cord for easy carrying and hanging. Bamboo is a natural material so slight colour and grain variations may occur between items and can affect the final engraving result.

The board includes a surrounding groove to catch juices and reduce drips. The extended handle improves grip for serving and the jute loop provides convenient storage. Dimensions and finish are suited to everyday use and attractive food presentation.

Customisable by laser engraving, this serving board is suitable for businesses, clubs, associations, events and gifts. Minimum order: 5 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo before engraving. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
