The Agoura beach towel, made from RPET-cotton recycled fabric, is designed for the beach, pool or hammam. At 75x150 cm it provides ample coverage while remaining easy to carry. The woven construction gives a lightweight feel and promotes quick drying; machine wash following the care instructions for recycled materials.

Finish details include tassels at each end and a striped band on part of the towel, with clean edges to reduce fraying. Rectangular cut with no pockets or fastenings — emphasis is on lightness and practicality for regular summer use.

Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 25 pieces (colours and sizes combined); smaller quantities possible with additional fees.
