DESCRIPTION

The Ovalis cork luggage tag is a personalised travel accessory designed to make your luggage easily identifiable. Crafted from natural cork, it is lightweight, flexible and durable enough for regular use. Measuring 11.5 x 6 cm, it accommodates an ID card for name, address, phone and email. Cork is low maintenance — a dry cloth will usually keep it clean.

The tag features a protective flap for the ID card and an elastic loop for quick attachment to handles on suitcases or bags. Its oval shape and neat edges make it practical during checks at transport hubs, while remaining unobtrusive and lightweight in your luggage.

Customise this tag by laser engraving, pad printing, screen printing on objects or digital printing to suit your needs. Well suited to companies, clubs, associations, events and corporate gifts. Please note the minimum order is 250 pieces (colours and sizes combined). A free quote and in-house graphic studio are available to prepare or vectorise your logo.
