Unisex pen with a bamboo barrel, designed for note-taking in meetings. The pen pairs natural bamboo with stainless steel details (cap, clip and ends), giving a neat, comfortable grip with a slim diameter (Ø1.1 cm) and compact length. Bamboo is a natural material and may show slight variations in grain and finish; clean with a dry cloth.

The design features a removable cap with a metal clip and chrome-like fittings that secure the pen to a pocket or notebook. Blue gel ink provides smooth, clear writing; overall length 13.8 cm. Lightweight and refined, it suits corporate giveaways and events where a sustainable look is desired.

Personalise this pen using screen printing on object, laser engraving or pad printing. Ideal for companies, associations, sports clubs and events seeking durable branded items.
