DESCRIPTION

Unisex 5-panel cap in polyester with elastane, designed for a close, comfortable fit thanks to a stretch headband. Its reinforced structure gives a clean, structured look and the gently curved peak offers sun protection without bulk. Available in several colours (including beige, navy, black) and in S/M and L/XL sizes. Follow the manufacturer's care advice to maintain elasticity and shape.

The cap's five-panel construction provides a smooth front surface ideal for branding, with neat stitching that supports the cap's form. The closed front gives a streamlined appearance and makes front placements straightforward. The internal stretch ensures a personalised fit across a range of head sizes.

This personalised 5-panel cap can be decorated by embroidery, DTF printing, flex (heat transfer), screen printing transfer and MSO transfer. Suitable for companies, sports clubs, associations, events and private customers; our in-house design studio can vectorise or refine your logo.
