DESCRIPTION

The Bern Ra ballpoint is a classic, practical pen made from recycled aluminium, offering a lightweight feel and a refined metallic finish. Its push-button mechanism and fine tip make it suitable for everyday office use and note-taking. It is offered in several colours — for example Black, Silver and Gold — and its compact dimensions (Ø1 x 13.7 cm) make it easy to carry in a pocket or notebook.

The aluminium barrel includes metal accents such as a clip and trim that provide a professional look and comfortable handling. The pen comes with blue ink and requires no special care other than replacing the refill when needed.

Customisable by laser engraving or pad printing, this personalised pen is well suited to companies, sports clubs, associations, events and private clients. Minimum order: 250 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo.
