Double wall tumbler PP 300 ml

Ref. 6582

Reference	6582
Composition	PP
Material	PP
Average weight	0.094
Dimensions	Ø9 x 12CM
Country of origin	China
Carton	30 pieces

DESCRIPTION

This double-wall PP cup holds 300 ml and is made for carrying hot or cold drinks. Its straight profile and lid with a drinking opening make it practical for travel, office breaks or takeaway use. The PP material keeps it lightweight and durable, while the 300 ml capacity provides a convenient portion for daily use. Cleaning is straightforward; hand rinse or wash is recommended depending on frequency of use.

The Nola model features a clean, unadorned design where the double-wall construction helps reduce heat transfer to the exterior. Compact dimensions (Ø9 x 12 cm) mean it fits most cup holders and bags. It comes in several colours, including Black, Navy Blue and White.

Suitable for companies, clubs, associations and events, this cup can be personalised by screen printing or pad printing to apply your logo. Please note the minimum order is 15 pieces (colours and sizes combined). A free quote and graphic studio are available to refine or vectorise your artwork.
