DESCRIPTION

The Zeal trophy plaque pairs a soda–lime glass panel with a beech wood base, ideal as a desk accessory to recognise staff, volunteers or event winners. Its upright, compact format (20x12cm) offers a discreet presence on a desk or shelf; the glass provides a flat, clear surface for precise inscription while the beech base adds a natural accent. Care is straightforward: dust and wipe the glass with a soft, non-abrasive cloth.

The beech base displays natural variations in colour and grain that make each piece unique and may affect the final marking result. The award is supplied in a gift box, ready to present.

Customisation available by doming or laser engraving. Suitable for companies, sports clubs, associations, schools and individuals seeking a personalised desk accessory. Minimum order: 5 pieces (colours and sizes combined).
