DESCRIPTION

This round trophy plaque is made from soda–lime glass mounted on a beech wood base and arrives in a gift box. The Keen model measures Ø 15 cm and suits office desks, award ceremonies and commemorative displays. As beech is a natural wood, slight variations in colour and size may occur and can affect the final decoration.

The glass disc provides a flat, clear surface for precise text or artwork, while the wooden base gives stable support. Wipe with a soft cloth and avoid abrasive cleaners to maintain both the glass clarity and the wood finish.

The item can be personalised by laser engraving, digital printing or doming. Minimum order: 5 pieces (colours and sizes combined). Ideal for companies, associations, clubs and individuals seeking a personalised desk accessory for awards, commemorations or gifts.
