## DESCRIPTION

Compact aluminium torch designed for practical use while travelling, working or at events. This unisex model measures 15 x Ø4.2 cm, features a zoomable head to adjust the beam and a detachable wrist strap. Powered by 3 AA batteries (not included) and rated at 200 lumens, the aluminium body provides a secure grip and a discreet finish. Available in 1 colour: black.

The zoom function lets you focus or widen the beam as required; the strap offers safe handling and easy storage. The machined body shows grip-enhancing ridges and a compact profile that slips easily into a bag or on a belt.

Customisation by laser engraving or pad printing (tampography) is available, both suited to precise marking on aluminium. Ideal for companies, clubs, associations, events and private customers looking for a branded torch. Minimum order: 25 pieces (colours and sizes combined).
