DESCRIPTION

The Kumaku bamboo bookmark is a unisex, practical accessory for regular readers. Measuring 13 x 4 x 0.2 cm, its slim rectangular shape and smooth bamboo surface provide a lightweight, pleasant feel when placed between pages. A natural jute cord is attached for easy retrieval of the marked page; as bamboo is a natural material, slight variations in grain and shade are to be expected.

The bookmark is neatly finished with a cleanly drilled hole for the cord, offering durable everyday handling. It is low-maintenance and can be wiped with a damp cloth.

Personalise this personalised bookmark using laser engraving or pad printing. Suitable for companies, associations, clubs, schools and private customers looking for an eco-friendly promotional item. Minimum order quantity: 500 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our design studio can vectorise your logo.
