DESCRIPTION

This round bamboo coaster Bayin protects surfaces from stains and condensation while offering a sustainable choice. Measuring Ø8.5 cm with a thickness of 0.5 cm, it features a smooth finish and natural grain variations typical of bamboo. It is well suited to everyday use in reception areas, offices or at events.

The flat, rimless design provides a stable base for glasses and small cups and allows compact stacking for storage and shipping. Bamboo is low-maintenance: wipe with a damp cloth and air dry; avoid dishwasher use to preserve the material. Its slim profile keeps packaging and transport efficient.

Customize this personalised coaster using laser engraving, pad printing or digital printing. Ideal for businesses, associations, clubs, events and private customers seeking an eco-conscious promotional item. Minimum order: 200 pieces (colours and sizes combined).
