DESCRIPTION

Bamboo tablet/phone stand designed to hold a device securely for hands-free viewing or reading. Measuring 17 x 7.6 x 1.5 cm, the stand features two grooves of different widths and a front cutout to fit a smartphone or small tablet, with rounded edges and a smooth finish revealing the natural bamboo grain. The material is lightweight yet sturdy and comes from a renewable source; this model is supplied in a natural wood colour and is FSC certified.

The stand cleans easily with a damp cloth and should be dried immediately to protect the bamboo. Its slim profile makes it suitable for desks, bedside tables or event use, offering a discreet and practical accessory for everyday office or home use.

Customisable by digital printing, doming, laser engraving or pad printing, this stand is ideal for companies, clubs, associations and events looking for a durable promotional item. Minimum order: 50 pieces (colours and sizes combined); smaller quantities are possible with additional fees. Free quotes and a graphic studio are available to prepare your branding.
