DESCRIPTION

Unisex trucker cap with a reinforced continuous front panel in stretch cotton for a clean, comfortable fit and a breathable polyester mesh back. Available in several colourways (for example Dark Camouflage / Black, Wood Camouflage / Black) and supplied in One Size with a practical plastic adjustment strap. The slightly worn camouflage print gives a relaxed, casual appearance.

The mesh rear panels improve airflow while the structured front keeps its shape. Finishes include a pre-curved visor and discreet stitching, designed for regular wear. Materials combine cotton and elastane at the front with polyester at the back for easy care and durable use.

Personalise this personalised trucker cap using screen print transfer, MSO transfer, DTF printing, flex or embroidery. Appropriate for companies, sports clubs, associations, event organisers and private customers; our studio can retouch or vectorise your logo before production.
