DESCRIPTION

The Holly ceramic mug is a cylindrical stoneware piece with a 300 ml capacity, suitable for daily use at the office, events or as a corporate gift. It features a metallic glossy exterior finish and a smooth interior surface, with a classic rounded handle and compact dimensions (Ø8 x 9.6 cm) that suit hot drinks. Its simple shape makes it practical to use and store.

The photo shows a high-gloss finish that highlights the mug's contours and integrated handle; the straight walls and fine rim facilitate easy filling. Available in multiple colours (e.g. gold), this model presents a clean, minimalist look without extra detailing.

This personalised mug is available from a minimum order of 12 pieces (minimum stated on the product sheet). We offer screen printing on objects, laser engraving and sublimation to apply your logo or message. Ideal for companies, clubs, associations, events and promotional gifts — free quote within 24 hours on weekdays and a graphic studio ready to vectorise or retouch your logo.
