## DESCRIPTION

The Keops Medium is a 200 g vegetal-wax candle presented in a frosted sodalime glass jar with a bamboo lid. With an approximate burn time of 33 hours and supplied in a paper gift tube, its compact cylindrical shape and matt glass finish make it suitable for living rooms, hotel rooms or reception areas; maintenance is limited to wiping the jar and keeping the lid dry.

The candle is offered in several colours such as bordeaux, black and white and measures 9.35 x 9.35 x 12 cm, making it easy to position as a decorative item. The bamboo lid helps preserve the fragrance between uses and adds a natural accent. The vegetal wax provides an even burn — simply ensure the wick stays centred for optimal performance.
