DESCRIPTION

The Stukie indoor game is a 24-piece pine wood puzzle supplied in a cotton pouch. At 9 x 10.5 cm it is compact and versatile: the linked wooden segments rotate to create a variety of shapes and patterns, making it suitable for quiet moments, workshops and group activities. The natural wood gives a warm tactile feel; dry cleaning is recommended to preserve the finish. The item is FSC®-100% certified according to the supplied information.

The pieces interlock to form both simple geometric figures and more elaborate constructions, useful for event activities, promotional stands or classroom use. The cotton pouch keeps the set tidy and makes it portable, while the small footprint makes it easy to distribute as a giveaway.

This puzzle can be customised using several techniques: flex, screen printing on objects (sérigraphie objet), multicolour transfer and DTF printing. Suitable for businesses, sports clubs, associations, schools and private customers. Minimum order: 100 pieces (colours and sizes combined) ; free quote within 24 hours on weekdays.
