## DESCRIPTION

Biological cotton tote bag with a rectangular shape and long handles, designed for everyday shopping or event giveaways. The Nuoro model measures 38x42 cm, offering a practical capacity while remaining lightweight thanks to its cotton canvas. The simple finish makes it suitable for repeated use in professional and community settings.

The bag focuses on functionality: long shoulder straps for easy carrying, clean seams along the edges and a flat profile that slips into other bags for storage. Available in 1 colour (beige), it presents a natural look that suits sustainable branding.

This personalised tote bag can be marked using several techniques: flex, screen printing, multicolour transfer, DTF printing and embroidery. Ideal for companies, sports clubs, associations, schools, youth movements and individuals. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our studio can vectorise or retouch your logo. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg; produced under our standard lead times.
