DESCRIPTION

Large gift bag made from organic cotton, sized at approximately 30 x 47 cm to accommodate a variety of presents. The design is straightforward and practical: a rectangular shape with a drawstring closure at the top to secure contents. The natural fabric has a soft hand and a subtly rustic appearance typical of organic cotton, and is simple to care for and reuse.

The bag shows clean side seams and no rigid fastenings, making it easy to load and remove items. A small woven label at the side adds a touch of authenticity. It is offered in several colours, including beige, and is well suited for corporate gifting, club events and special occasions.

This personalised gift bag can be decorated by screen printing, multicolour transfer, DTF printing or flex. It is aimed at companies, clubs, associations and private customers. Minimum order quantity is 100 pieces (colours and sizes combined); a free quote is provided within 24 hours on weekdays and our design studio can vectorise your logo if required.
