DESCRIPTION

Set of 2 unisex wine glasses, 400 ml capacity and approximately 21.8 cm tall, designed for proper wine service. The bowl shape helps concentrate aromas while the stem allows handling without warming the drink. Made from soda–lime glass with a clear, smooth finish and straightforward care when following usage guidance.

The Cheers model features a slightly flared bowl on a slender stem and a circular, stable base. Proportions are aimed at comfortable handling and a pleasant drinking experience; the smooth surface and fine rim aid tasting. Available in several colours, transparent being one example from the range.

These glasses can be personalised by laser engraving or pad printing. Suitable for businesses, restaurants, wine clubs, associations and corporate gifts. Minimum order: 5 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production and delivery conditions apply; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
