Double wall sublimation tumbler

Ref. 6644

Reference	6644
Composition	Stainless steel
Material	Stainless steel
Average weight	0.281
Dimensions	Ø7 x 21CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

Double-walled stainless steel tumbler designed to keep drinks hot or cold. The slim cylindrical shape (Ø7 x 21 cm) with a polypropylene lid offers a secure grip and reduces spills. Durable construction makes it suitable for everyday use, commuting or events. Capacity: 590 ml.

The tumbler features an insulating inner wall and a special coating compatible with sublimation for crisp, long-lasting prints. Care is straightforward—rinse after use; avoid the dishwasher if you want to preserve the printed finish (see the product sheet for detailed care instructions).

Personalise this personalised tumbler using our techniques: DTF printing, laser engraving, screen printing on object, sublimation or pad printing. Ideal for companies, sports clubs, associations, events and private customers. Minimum order: 10 pieces (colours and sizes combined); smaller quantities may be possible with additional charges. Free quote within 24 hours on weekdays and graphic studio support available to vectorise your logo.
