DESCRIPTION

The Picca carafe in recycled glass (Ø9 x 28 cm) features a slim profile with a gently tapered neck and a cork lid. With a 1 L capacity it's suitable for serving water, juices or chilled drinks at meetings, receptions or everyday office use. The recycled glass offers a subtle textured look and a flat base ensures stable placement; handwashing is recommended to protect the cork.

The cork stopper gives a natural finish and provides a simple seal to reduce contamination. The tapered shape makes pouring comfortable and helps prevent drips. Compact and easy to store, this carafe is practical for workplaces, clubs and small catering events.

The Picca carafe can be personalised by embossing, laser engraving or pad printing. Note the minimum order of 5 pieces (colours and sizes combined). Ideal for companies, associations, clubs and events looking for a personalised carafe.
