Country of origin	China
Carton	20 pieces

DESCRIPTION

Natural bamboo wireless charger designed for desk use at home or in the office. This unisex unit features an LED display showing time, temperature and humidity, plus a built-in phone stand. Made from bamboo (natural grain and shade may vary), dimensions 18 x 17 x 1.3 cm; includes one CR2032 battery. Wireless output DC 9V/1.15A (15W) for fast charging, compatible with recent Android devices and iPhone 8 onwards. Wipe with a dry or slightly damp cloth to maintain the bamboo finish.

The square profile and smooth finish give a subtle, professional look on a workstation. The display sits in a recessed window and a small bamboo ledge holds the phone upright during use. As bamboo is a natural material, small variations in texture and tone are normal between items.

Order this personalised wireless charger with digital printing, doming or laser engraving — suitable for logos and branding. Well suited to companies, sports clubs, associations, events and corporate gifting. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; graphic studio available to vectorise or retouch your logo.
