DESCRIPTION

Rigid gift box in kraft paper, compact 13.5 x 10.5 x 2 cm, designed to present small items neatly. The magnetic closure provides a clean, secure seal and gives the box a premium feel, while the rigid paper construction ensures good stability and easy handling. Available in several colours — for example Black and White — it is suitable for jewellery, gift cards or small corporate gifts.

The Hako model features a slim, flat profile that is simple to store and ship. The paper finish creates an excellent surface for printing, and the integrated hinge allows the box to open like an elegant case. Compact dimensions and straightforward assembly protect contents and make unboxing pleasant.

This gift box can be personalised by digital printing or object screen printing. Minimum order: 50 pieces (colours and sizes combined). Suited to companies, sports clubs, associations, events and individuals; our design studio can prepare or vectorise your logo for production.
