DESCRIPTION

Unisex gloves in RPET, Takai model, designed to keep hands warm while maintaining touchscreen usability. Knitted with a textured surface and padded touchscreen tips on the fingers, these gloves combine comfort and functionality for everyday outdoor use. Size: 23 x 12 cm. They come in several colours, for example Black and Navy.

The ribbed cuff with a small decorative tab makes them easy to pull on and helps secure the fit. The visible knit structure indicates straightforward care; gentle wash is recommended to preserve shape and touchscreen performance. Durable seams and finishes suit regular wear.

These personalised gloves can be marked by laser engraving or embroidery, with the printable area indicated on the label. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; in-house artwork studio available to vectorise your logo; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
