DESCRIPTION

The Giza candle is made from vegetable wax and sits in a cylindrical bamboo holder, designed to gently scent interiors. Its compact dimensions (8.2 x 8.2 x 8.2 cm) make it easy to position on a table, desk or shelf. The bamboo gives a natural finish with slight colour and grain variations typical of the material; the vanilla-scented wax provides an approximate burn time of 30 hours.

The solid bamboo holder is simple and unadorned, allowing the candle to fit a variety of décors. The design keeps wax contained and makes removal for cleaning or replacement straightforward. Care is minimal — avoid prolonged exposure of the bamboo to moisture to preserve its natural look.
