DESCRIPTION

The Zoco shopping bag is a recyclable cotton tote (65% post-consumer recycled cotton, 35% regular cotton) designed for everyday use. Its rectangular shape (38x42 cm) and long handles make it comfortable to carry over the shoulder for shopping, events or promotional distribution. The fabric has a natural, slightly textured appearance and is easy to care for.

Functionality is straightforward: a large open compartment with visible edge seams and securely stitched handles for reliable wear. It is offered in 1 colour, for example beige, making it suitable as a reusable promotional or event bag.

Personalise this personalised shopping bag using screen printing (screen printing), multicolour transfer (transfer), flex, DTF printing or embroidery depending on the finish you want. Ideal for companies, associations, sports clubs, schools, youth movements and event organisers. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and an in-house design studio is available to vectorise or refine your logo.
