DESCRIPTION

Unisex recycled cotton shopping bag, practical for daily shopping, events or as an eco-friendly promotional item. The Zoco Colour model measures 38x42 cm and features long shoulder straps for comfortable carrying. Made from a post-consumer cotton blend, the bag has a soft, lightweight hand while remaining functional for everyday use. Care is straightforward: low temperature wash and air dry.

The photo shows a clean, minimal finish with straight seams, a reinforced top hem and straps stitched into the top seam for reliable wear. There is no zip or inner pocket, leaving a flat print area well suited to branding. A small recycled fibre label is sewn into the side seam as a mark of its recycled material.

This personalised shopping bag can be decorated using screen printing (object), multicolour transfer, flex, DTF printing and embroidery. Minimum order 100 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations and events — our studio can retouch or vectorise your logo prior to production.
