DESCRIPTION

The Cadre Trophy in crystal, model Blo, is made from soda-lime glass and measures 9x2x13cm. Its rectangular, solid block shape provides a stable, luminous display suitable for desks or display cabinets. Supplied in a presentation box, it is convenient for award ceremonies and gifting. Clean with a non-abrasive cloth to maintain clarity.

The uncluttered design highlights the flat face intended for marking: polished faces and edges create a refined surface for engraving or printing. Its compact dimensions make storage and shipping straightforward, and the included box simplifies presentation to recipients.

This personalised office accessory can be marked by digital printing, laser engraving or pad printing (tampography) depending on the desired finish. Ideal for companies, sports clubs, associations, events and private customers looking to reward achievements or commemorate special moments. Minimum order: 10 pieces (colours and sizes combined). Free weekday quotes and a graphic studio are available to prepare your artwork.
