Wireless charger ABS 15W

Ref. 6679

Reference	6679
Composition	ABS
Material	ABS
Average weight	0.172
Dimensions	6,6 x 9,8 x 10,7 CM
Country of origin	China
Carton	40 pieces

DESCRIPTION

This 15W wireless charger in ABS blends charging and desk organisation: its dual-coil design enables fast charging (9V/1.67A) while the top compartment serves as a pen holder to keep workspaces tidy. The angular silhouette and inclined base provide a stable resting position for a smartphone and a clean, easy-care ABS finish.

The compact dimensions (6.6 x 9.8 x 10.7 cm) include an additional USB-A power output for charging another device. The sloped front is the wireless charging area; the absence of textile parts makes it simple to wipe clean. Compatible with recent Android phones and iPhone 8, X and newer.

Customisation is possible by pad printing, making this charger practical for companies, clubs, associations, events and corporate gifts. Note: a minimum order quantity of 20 pieces applies (colours and sizes combined). We provide a free quote and a graphic studio to prepare your artwork. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
