DESCRIPTION

This Tritan bottle holds 1000 ml and is designed for everyday use. Its slim cylindrical shape (Ø7 x 27.5 cm) offers an easy grip and fits common cup holders. Made from BPA-free Tritan, the bottle is leak-resistant but not suitable for carbonated drinks. Care is straightforward: rinse and clean according to standard guidance for this material.

The Utah Top model features a simple screw cap with a clean profile, reducing hard-to-clean crevices. It comes in several colour options, for example Transparent, Grey Transparent or Royal Blue, making it suitable for corporate packs, promotional giveaways or retail sets.

This personalised bottle can be customised by DTF printing, screen printing, laser engraving, pad printing or doming. Minimum order: 25 pieces (colours and sizes combined).
