DESCRIPTION

The Kaori diffuser is a frosted soda-lime glass vessel supplied with 100 ml of scented oil and 8 reeds. Its compact proportions (7.5 x 7.5 x 24 cm) feature a rounded body and a narrow neck that promote steady fragrance release, making it suitable for homes, reception areas or hospitality settings. Refill the bottle and replace the reeds to adjust scent intensity.

The matte finish and stable base keep the diffuser discreet on shelves or side tables. Reeds provide a flameless, gradual scent diffusion, appropriate for offices, hotel rooms, salons and spa-like environments where a subtle aroma is preferred.

Have this personalised diffuser decorated by screen printing, laser engraving or digital printing to create corporate gifts, promotional items for clubs and associations, event giveaways or refined presents for private buyers. Minimum order: 10 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo.
