Reference	6699
Composition	Paper
Material	Paper
Average weight	0.047
Dimensions	10 x 14CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

This Black scratch paper pad is a compact writing and colouring pad (10 x 14 cm) featuring a kraft cover, 10 recycled black inner sheets and a wooden stylus for scratching away the surface. The top spiral binding makes it easy to flip pages and use single-handed, making it suitable for creative workshops, school activities and event giveaways.

Its kraft cover and metal spiral give a practical, low-profile finish; the black pages reveal colours when scratched with the stylus. The pocket size keeps it convenient to carry. No special care is required beyond keeping it dry to protect the paper.

The pad is available from a minimum order of 100 pieces. Customisation options include DTF printing and screen printing on the object to add a logo or design. Perfect for companies, clubs, associations, schools, youth movements and individuals looking for a playful, eco-minded promotional item. Our studio provides graphic retouching and file vectorisation if needed.
