DESCRIPTION

Stainless steel double-walled tumbler with a 350 ml capacity, designed to keep drinks at a stable temperature while remaining comfortable to hold. The interior is made from PP and the transparent PS lid ensures hygienic everyday use. Its slightly tapered shape and 12 cm height make it suitable for office breaks, lunches on the go and outdoor events. Hand wash recommended to protect the finish.

The tumbler is offered in several colour options, including Black, White and Matte Silver, and measures Ø8 x 12 cm for easy storage in bags or cup holders. The lid removes easily for filling and cleaning; the double-wall construction helps reduce external condensation and improves thermal performance.

Customisation available from a minimum order of 15 pieces (colours and sizes combined). Available marking techniques: laser engraving, screen printing on items and pad printing. Perfect for companies, sports clubs, associations, schools and promotional events.
