Ref. 6701

Reference	6701
Composition	Stainless steel
Material	Stainless steel
Average weight	0.038
Dimensions	10 x 6CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

Stainless steel multi-tool shaped like a bicycle, a compact and durable promotional item. Its flat, portable design (10 x 6 cm) slips easily onto a keyring or into a pocket. Made from stainless steel, it brings together several practical functions — bottle opener, knife, ruler, Phillips screwdriver and other simple tools — while remaining robust for everyday use. The brushed finish gives it a discreet, professional look; maintenance is limited to occasional wiping to remove dirt.

The bicycle silhouette incorporates cut-outs for different functions, with precise edges for grip and access. Its dimensions provide stability during use without sacrificing portability, making it suitable for distribution at events or as a corporate giveaway.

Customisable by digital printing, doming, laser engraving or pad printing, this item is ideal for companies, sports clubs, associations, events and corporate gifts. Minimum order: 100 pieces (colours and sizes combined). Techniques in English: DTF printing not applicable; available methods are digital printing, doming, laser engraving and pad printing.

COLOURS (1)
