DESCRIPTION

This RPET festival bracelet, model Fiesta, is designed for events, festivals and welcome packs. The bracelet measures 34 x 1.5 cm and is made from woven RPET polyester, offering a flexible, durable strap with a bamboo ring closure for a natural finish — bamboo being a natural material may show slight variations in colour and size.

The flat loop is comfortable to wear all day and is free of additional clips or metal fittings, making it suitable for large audiences at events. It is available in several colours, for example Black, Blue and Red, and is supplied in the stated dimensions for consistent use.

This personalised bracelet can be decorated by flex, screen printing on objects, multicolour transfer, DTF printing and sublimation. Recommended for event organisers, associations, clubs and companies. Minimum order: 2500 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays and our design studio can retouch or vectorise your logo.
