DESCRIPTION

This organic cotton shopping bag features a simple, upright shape with a base gusset (38x9x42cm) that increases capacity without adding bulk. The long handles allow comfortable shoulder wear and the natural cotton fabric is easy to care for. The unisex cut suits everyday use, shopping or events where a reusable solution is preferred.

The photo shows clean stitching and handles stitched into the bag for added strength. There is no visible closure, giving quick access to contents. Available in several colours, such as beige and other shades, it presents a restrained, practical appearance.

Customisable by flex, screen printing, multicolour transfer or DTF printing, this personalised shopping bag is ideal for companies, sports clubs, associations, schools and events. Note: minimum order 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production 10 working days.
