DESCRIPTION

Rectangular organic cotton shopping bag with generous capacity (38x9x42 cm) and a sewn-in base. This unisex tote is designed to be worn over the shoulder thanks to its long, stitched handles, making it suitable for trade fairs, retail and promotional events. The 270 g/m² canvas gives the bag structure while remaining flexible; care is simple with a gentle wash. Available in several colours, for example Black, White or Navy.

The bag features clean finishes: reinforced seams on the handles and a small side label. Its flat shape allows compact storage and provides a large, even area for printing. The 9 cm depth accommodates documents, brochures or everyday shopping with ease.

This personalised shopping bag can be customised using flex, screen printing, multicolour transfer, DTF printing or embroidery. Well suited to businesses, sports clubs, associations and events. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our design studio can vectorise your logo. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
