DESCRIPTION

15-inch laptop sleeve in RPET felt, designed for professional daily use. The sleeve has a slim, semi-structured profile that protects the laptop inside a main zippered compartment. Short padded handle for easy carrying; RPET material provides a more sustainable option. Measurements: 38 x 6.5 x 28 cm. Wipe clean for maintenance.

Inside there is a pocket for accessories and a top zipper to secure contents. Neat seams and a felt finish reduce visible wear, and the rectangular shape slips easily into larger bags or luggage. Available in several colours, for example Black and Stone Grey.
