DESCRIPTION

The Pantai beach bag in cotton is designed for seaside use or light shopping. It has a straight base with a reinforced jute bottom and measures 48x15x35 cm, providing stable capacity for towels, bottles and small groceries. Twisted rope handles feed through metal eyelets for comfortable shoulder carry and a relaxed look. The item is available in 1 colour (beige).

Visible finishing includes clean seams along the base and sides and a canvas texture that keeps the bag structured yet flexible; care is straightforward with spot cleaning or a gentle wash depending on use. The wide opening makes loading easy; there is no visible zip closure or internal pocket in the photo.

This personalised sports and outdoor bag can be marked by screen printing, multicolour transfers, DTF printing or flex depending on the desired effect.
