Ref. 6726

Reference	6726
Composition	Aluminium
Material	Aluminium
Average weight	0.052
Dimensions	6,5 x 11CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

Help emergency blanket: a foldable aluminium survival blanket supplied in a drawstring pouch made from RPET polyester. When opened it measures 130 x 210 cm, offering protection from cold and wind; folded into its pouch it is very compact (pouch dimensions 6.5 x 11 cm), easy to store in a glovebox or boot. The aluminised material is lightweight and moisture-resistant, and the pouch's cord allows for simple carrying or attachment.

The pouch is available in 1 colour (e.g. black) and the compact format makes it suitable for bulk distribution to vehicle fleets, first-aid kits or events. It is practical for businesses, clubs and organisations looking for a useful giveaway. Minimum order: 100 pieces (colours and sizes combined).

Personalisation available by screen printing on object, multicolour transfer, DTF printing or flex. Our graphic studio can vectorise and refine your logo; free quote within 24 hours on weekdays. Ideal for companies, associations, sports clubs, youth movements and promotional events as a personalised car accessory.
