DESCRIPTION

The Nobuuk reusable A5 notebook is designed for everyday note-taking and meeting use. It features a PP cover and visible spiral binding that allows the book to lie flat. Inside are 36 lined pages (18 sheets) of mineral paper that are erasable and compatible with document-scanning apps. The set includes a water-erasable pen and a cleaning cloth for repeated use.

The PP cover protects the pages and makes care straightforward: notes are removed using the supplied pen and cloth. At 14.8 x 21 cm the format is convenient for bags and desktops. The black spiral secures the pages while allowing easy scanning and comfortable writing.
