DESCRIPTION

Personalised plush toy: the Manny cow in PET is a compact cuddly toy (9x12x13 cm) designed for children, events and promotional gifting. It comes wearing a small hooded jumper, offering a classic soft plush feel thanks to the PET construction. The supplier notes it is particularly suitable for sublimation, which allows detailed photo-quality prints on the garment area.

The toy features stuffed limbs and a rounded head with an integrated hood; visible stitching at the sleeves and hem contributes to a straightforward, durable finish. Available in 1 colour (for example white). Its small dimensions make it easy to store and ship.

Customisation options include multicolour transfer, DTF printing, sublimation and flex for logos and artwork. Appropriate for companies, sports clubs, associations, events and private customers seeking a branded giveaway or keepsake. Minimum order: 75 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo prior to production.
