DESCRIPTION

Panda plush toy model Penny made from PET, designed for children and promotional use. Compact dimensions (10 x 13 x 12 cm) make it convenient as a giveaway or branded gift. The plush wears an integrated hooded jumper that provides a smooth area suitable for printing. Care: spot cleaning is recommended depending on use.

The toy combines a shaggy pile on the body with shorter pile on the paws and face, and the sewn-on garment has neat seams and a stable seated posture, making it suitable for display at events and counters.

This personalised plush toy can be decorated using multicolour transfer, sublimation, DTF printing or flex. Ideal for companies, sports clubs, associations, schools and private customers who want branded gifts. Minimum order quantity: 75 pieces (colours and sizes combined). Our graphic studio can adjust or vectorise your artwork and we provide a free weekday quote.
