DESCRIPTION

The Lenny plush toy is a compact soft toy suited for children and promotional use. Measuring 10x13x13cm and filled with PET, it features a sewn-in hood that gives it a friendly look and makes it easy to handle. Its seated shape lets it be displayed on desks or counters; cleaning should be carried out spotwise according to use.

Stitched finishes and embroidered facial and paw details provide a neat, durable appearance. The integrated hood has no removable parts, reducing the risk of lost accessories and making it appropriate for younger users. Its small dimensions make it a convenient giveaway for events, clubs and retail use.

This personalised plush toy can be customised by flex, multicolour transfer, DTF printing or sublimation. Suitable for companies, associations, sports clubs, schools and individuals. Minimum order: 75 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production 10 working days. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Our design studio can retouch or vectorise your logo.
