DESCRIPTION

Stainless steel double-walled ice bucket, Kokkola model, designed to keep ice chilled for bar or table service. It features a bamboo lid, a stainless steel ice tong resting on the lid and a folding metal handle for easy carrying. Capacity is 1.2 L with dimensions Ø13.5 x 17 cm. The stainless finish ensures a durable feel while the bamboo lid may show slight natural variations.

The double-wall construction improves thermal insulation and helps reduce external condensation. The bamboo lid adds a warm touch and the included tongs make serving straightforward. Stainless steel is easy to clean; treat the bamboo with care to preserve its surface.

Customisation available as a personalised gift set using digital printing, doming, laser engraving or pad printing. Suitable for companies, sports clubs, associations, events and private customers. Minimum order quantity: 4 pieces (colours and sizes combined).
