Foldable shopping trolley

Ref. 6746

Reference	6746
Composition	PP
Material	PP
Average weight	2
Dimensions	38 x 36 x 3.3CM
Country of origin	China
Carton	4 pieces

DESCRIPTION

Foldable shopping trolley made of polypropylene (PP) with a telescopic steel handle and two wheels, designed for carrying shopping and equipment with ease. The molded PP structure gives a lightweight but stiff crate-like shape, with integrated hand grips and compact folded dimensions (38x36x3.3cm). Maximum load: 25 kg.

The trolley collapses flat for space-saving storage, while the telescopic handle locks in position for comfortable handling. Molded reinforcements in the sides improve stability and the cut-out handles make lifting simple. Cleaning is straightforward with a damp cloth.

This product is suitable for personalised shopping bag requirements and can be customised using screen printing on objects for companies, retailers, associations and event promotions. Minimum order: 2 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays and production under our standard or express options.
