DESCRIPTION

The Gloss Lux lip balm comes in a cylindrical bamboo tube, offering a natural, pocket-sized cosmetic with a wax-based formula and SPF 10. Its vanilla flavour and compact dimensions (Ø2.1 x 7.6 cm) make it convenient for daily use and giveaways. As bamboo is a natural material, slight variations in finish, decoration and size may occur between tubes.

The tube features a removable cap and an internal mechanism to extend the balm; the bamboo's natural grain provides a secure grip. Dermatologically tested and formulated from wax, the balm is simple to use and care for as a solid cosmetic.

This personalised lip balm is suitable for laser engraving, pad printing or digital printing on the bamboo body. Recommended for companies, clubs, associations, events and corporate gifts. Minimum order: 250 pieces (colours and sizes combined).
